— FORWARD —

The Illinois Shorthorn Breeders' Association is the largest and livest state organization of Shorthorn cattle breeders in the country. Its members are progressive in the methods of conducting their own herds and equally progressive in the cooperative effort of boosting the breed in this great agricultural state.

The 54 cattle that are to be sold in this sale were literally drafted from the herds of 27 highly respected Illinois breeders. All could have been sold easily at private treaty but these loyal members of the ILLINOIS SHORTHORN BREEDERS' ASSOCIATION have held them for this Illinois "Victory" Sale. There will be 22 bulls in the sale and they have been accepted only because of their ability to improve the herds of all who are fortunate enough to buy them. The 33 females are a perfectly beautiful lot, capable of working improvement wherever they go. To all who are in the market for good seed stock we say "Buy in Illinois . . . in this sale." We are proud to present these cattle in the name of the Illinois Shorthorn Breeders' Association and it is our firm belief that every animal in the offering is bred to reproduce unfailingly.

Shore Acres General — Here is an imported-in-dam calf with ancestry that will delight the real critics. His sire won second prize and was reserve for the Collynie Cup at Burlingham in 1939. The next two sires in the pedigree, Coldoch Union Jack and Beaufort Overture are the first two sires in the pedigree of the famous imported bull Gosshall Ximenes that recently sold at \$5700. This calf is very typy, an attractive dark roan in color, deep bodied, thick, strong in rear quarters and with level lines and a good head. His dam is an outstanding dark red cow that was sired by the 1932 Perth champion. This calf should find a home in a strong herd.

Brawith Boy, so low set and so thick that we consider her one of the best cows we have. We fully intended to keep this young bull as a summer show bull, but since there might not be any state shows, we have decided to let him go. I want you to note what a wonderful tail setting this bull has. Also, please note how mellow he is and what short, straight legs he has. After you have also noted his strong head and his depth of body, I feel sure you will want to buy this bull.

Marellbar Lady Augusta 25th — It took a lot of urging to get the owners to consign this beautiful granddaughter of Imp. Collynie Royal Barrage because she is just the kind of a heifer for which Marellbar is always willing to bid a top price to secure. Do not fail to note that she is out of a beautifully bred Imported Augusta cow. Her new owner will work real improvement in his herd when he purchases this beautiful heifer.

Edna-Mae Princess is a rugged, deep, thick, blocky red heifer with short legs that we wanted to retain for our breeding herd, but a call from the Illinois Shorthorn Breeders' Ass'n. for choice heifers has prompted us to sell her. She is a breezy looking heifer that will make someone a grand brood cow. She would make a good show in the junior yearling class if fitted. Be sure and look this heifer over sale day.
